ABOUT US

Building Better Agricultural Exports

About Nile Gate Global

At Nile Gate Global, we are committed to delivering high-quality agricultural products that meet global standards of freshness, food safety, and reliability. Through carefully selected farms, professional handling, and a fully integrated supply chain, we proudly serve our partners with consistency, transparency, and long-term commitment.

We value every partnership and look forward to building successful business relationships with clients around the world

About Us

Nile Gate
Global

Nile Gate Global company is a trusted Egyptian export company specializing in supplying, marketing and consulting of Fresh and Frozen Fruits and Vegetables to international market.

Nile Gate Global leverages Egypt's fertile land, a favorable climate, and extended growing season that enable year-round production of high-quality produce.

We work closely with a network of carefully selected farms and packing stations across Egypt, ensuring full control over the entire supply chain, from cultivation and harvesting to packing and export.

Our integrated approach enables us to deliver fresh, safe, and premium-grade products that consistently meet and exceed the expectations of global buyers.

Our Vision

To be a leading Egyptian agricultural export company, recognized globally for delivering premium-quality fresh and frozen fruits and vegetables through sustainable practices, reliable partnerships, and year-round supply excellence

Our Mission

To supply international markets with safe, fresh, and high-quality agricultural products. We are committed to full supply-chain control— from cultivation to export—working closely with carefully selected farms and packing stations to ensure consistency, traceability, and customer satisfaction.
